03 Member notes

All passes are final once purchased, unless we can't give the classes you paid for (if we close or move). Long passes are priced for people who stay.

Your pass is just for you, not shareable.

Moving away, or your doctor says stop? If a freeze doesn't fit, a 3, 6 or 12-month membership can pass once to someone new to AYBKK. Same end date. Fee ฿1,500. Ask us on LINE @aybkk first.

Freeze up to 30 days (or as your doctor's note says, up to 2 months) for a broken bone, an eye problem, surgery, or pregnancy and birth. Other cases: talk with us. Please tell us on LINE @aybkk before it starts.

See you tomorrow.
